

SCHOOL FIELD TRIP SPECIAL

WHALE & DOLPHIN WATCHING TRIPS

2-HOUR ADVENTURE TRIPS - ONLY \$18 PER STUDENT!

Family owned and operated since 1971, Dana Wharf in Dana Point originated whale watching in Orange County and takes more than 25,000 children whale watching each year, exposing them to the wonders of the rich marine life we see daily off Dana Point.

Whale Watching in Dana Point is year-round:
 Gray Whales migrate December – April
 Blue Whales visit May – November

Fin, Minke, and Humpback whales can be seen year-round, and even occasionally Orca! Watch them spy hop, breach and fluke in our warm coastal waters.

Large pods of Common and Bottlenose Dolphin frequently surf the bow and leap for joy in the boat's wake, while lazy Sea Lions sun themselves on buoys.

Captain Todd Mansur
 Certified Naturalist & Gray
 Whale Foundation Educator

In cooperation with the American Cetacean Society (ACS) of Orange County, ACS naturalists present a **FREE** pre-field trip presentation on gray whales at the school. This pre-field trip is offered exclusively to groups of 100 or more.

Nona Reimer
 Science Education Advisor
 and Cetacean Naturalist
